

Cleaner Vetting Identification

These must include a passport, driving license, home office papers and a birth certificate. All our managers are highly trained in this field. The methods and techniques used to forge such documents are changing and advancing regularly; however with the proper knowledge and continual training with specialist consultants, we know when we are being presented with real documents, and when we are not. Our reputation is well known in the industry and people with such documents do not come anywhere near us.
