Payments

Why do prices differ by area?

The agency fee is exactly the same in each area, only the amount paid to the cleaners differs.

This is because of the local market rate in each area for domestic cleaning people.

For example in East London we recommend you pay your cleaner £7 per hour, whereas in Esher in Surrey we recommend you pay your cleaner £8.50 as few cleaners live in that area and so the local market rate is higher.

Please do feel free to select different areas to see for yourself how this works.
